

BRIEF PROFILE OF THE BOARD OF DIRECTORS OF
SIGMA ADVANCED SYSTEMS LIMITED
(FORMERLY MEGASOFT LIMITED)

S. No.	Name of the Director	Designation	Brief Profile	Directorships in other Companies:
1.	Mr. Sunil Kumar Kalidindi	Executive Director and Chief Executive Officer / Chairperson of the Board	Sunil Kumar Kalidindi brings a combination of engineering insight, financial discipline, and board-level leadership to his role as Executive Director and Chief Executive Officer of Sigma Advanced Systems. A member of the Board since mid-2022, he plays a key role in shaping the Company's long-term strategy and governance as it scales within India's aerospace and defence sector. In his capacity as Chief Executive Officer of Megasoftware Limited, Sunil led the merger of Sigma Advanced Systems into Megasoftware, creating a focused listed platform for aerospace and defence. He also led Sigma's acquisition of the Nasmyth Group in the UK, a strategically significant transaction that strengthened advanced manufacturing capabilities and expanded the Company's international footprint. Sunil is closely involved in guiding Sigma's engagement with complex, mission-critical Aerospace & defence programmes, ensuring alignment between technical ambition, execution discipline, and commercial sustainability – an increasingly critical balance in India's evolving defence ecosystem.	1.
